

CGE Training Materials for the Preparation of Biennial Update Reports from non-Annex I Parties

The 13th Workshop on GHG Inventories in Asia (WGIA13)
Capacity building for measurability, reportability and verifiability

4 – 6 August, 2015

Ramada Bintang Bali Resort, Jl. Kartika Plaza, Kuta, Bali, Indonesia

*Mr. Dominique Revet, Team Lead, National Communications Support Unit
Mitigation, Data and Analysis Programme
(DRevet@unfccc.int)*

1. Background and the mandate
2. Understanding the measurement, reporting and verification (**MRV**) framework for developing countries
3. Role and contribution of the **CGE** in implementing the MRV framework for developing countries:
 - 3.1 Capacity-building of developing countries for the preparation of biennial update reports (**BURs**) – **Presentation 1**
 - 3.2 Facilitating the conduct of the technical analysis of BURs under the international consultation and analysis (**ICA**) process – **Presentation 2**

Background and the mandate

Decision 19/CP.19

Continued the **CGE** for a period of 5 years from **2014 to 2018**

Decided that the CGE, in fulfilling its mandate will function in accordance with the revised **terms of reference** contained in the annex

Requested the secretariat to facilitate the work of the CGE

Decision 20/CP.19

Adopted the composition, modalities and procedures of the **team of technical experts** under **ICA**

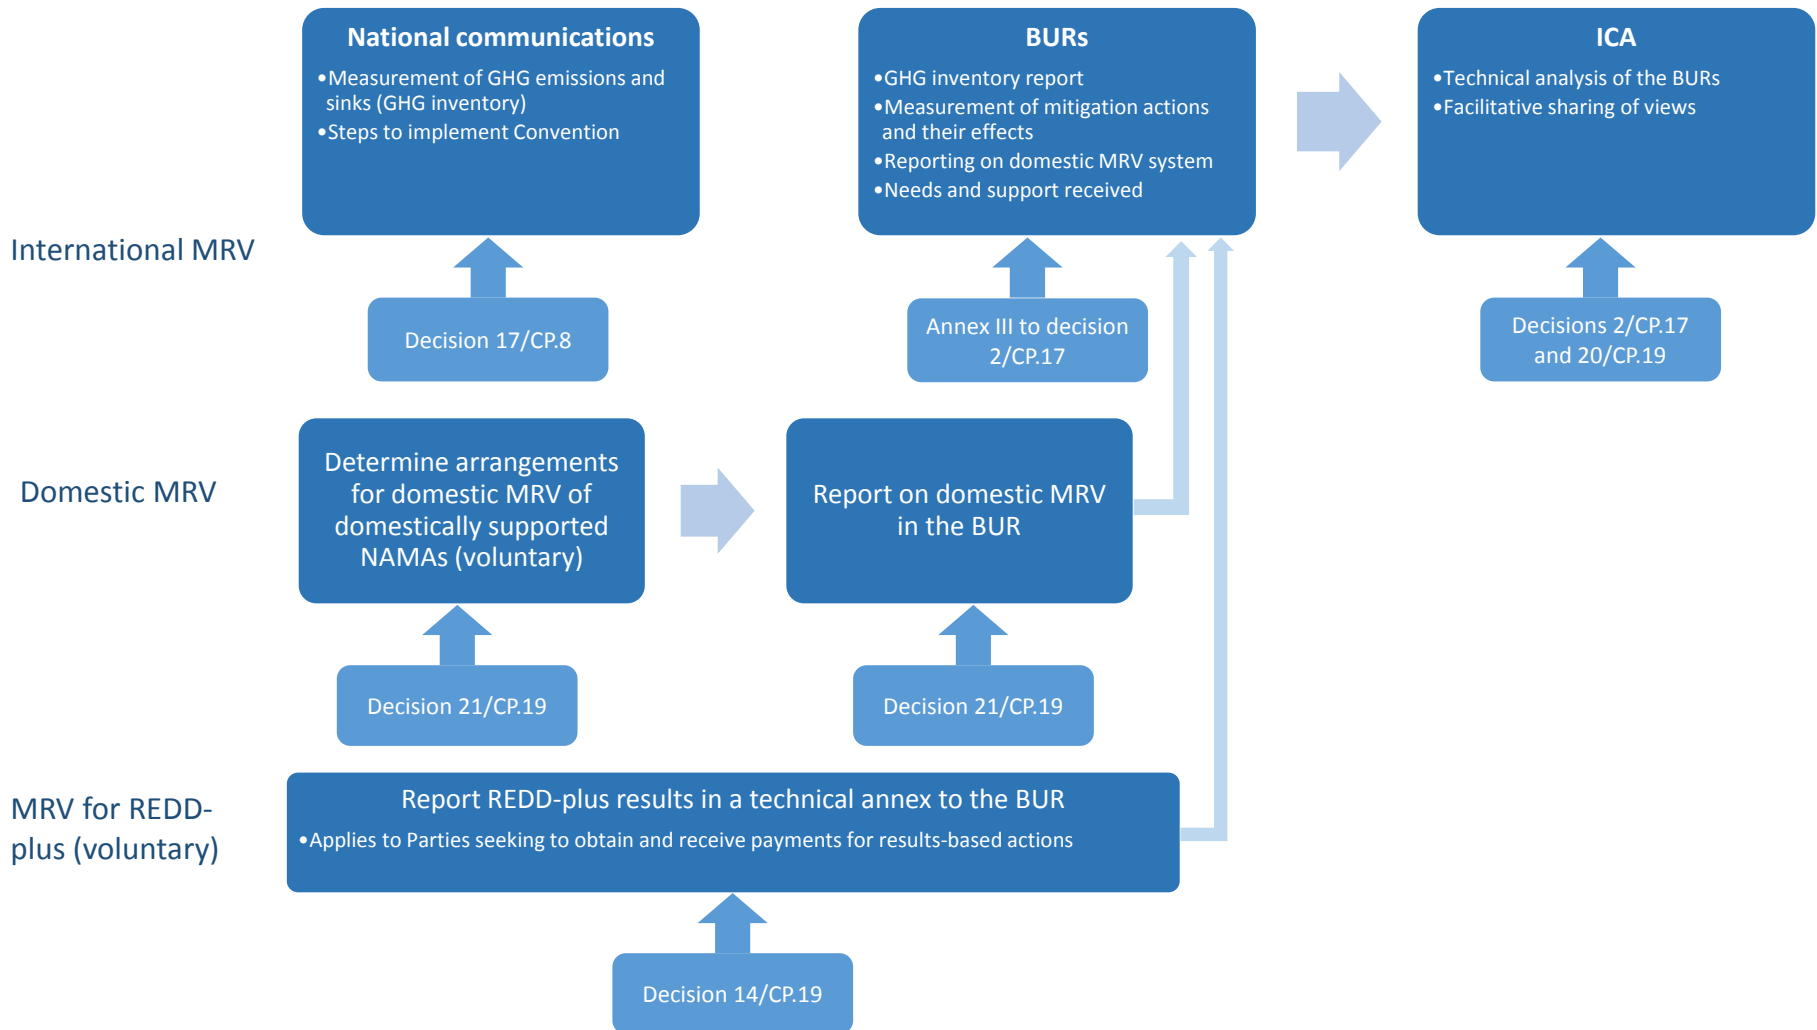

Invited Parties to nominate technical experts with the relevant qualifications to the **UNFCCC roster of experts**

Requested the **CGE to develop and organize appropriate training programmes** for **nominated technical experts**, with a view to improving the technical analysis

Only those nominated experts who have **successfully completed** the CGE programme will be **eligible** to serve on the team of technical experts (**TTE**)

Understanding the MRV framework for developing countries

Implementing the MRV framework for developing countries – role and contributions of the CGE

- When responding to the mandate to provide technical assistance and support to non-Annex I Parties, the CGE:
 - a) Recognized the importance of supporting developing countries in the **effective implementation** of the enhanced **MRV framework**
 - b) Decided to focus its efforts in **2014**, on **building the capacity** of the relevant actors involved in the **implementation of the MRV** for developing countries (**national experts** involved in the process of and the preparation of BURs, and the **experts nominated to the UNFCCC roster of experts** to undertake the technical analysis of BURs).

Implementing the MRV framework for developing countries – role and contributions of the CGE

I

- **Capacity-building for the preparation of BURs (Parties):**
 - *Development of training materials*
 - *Regional training workshops*

II

- **Facilitating the technical analysis under ICA (Experts nominated to the UNFCCC roster of experts):**
 - *Development of the training programme for the TTE*
 - *Training of the TTE*
 - *General advice and guidance to the secretariat on the selection of TTE*

I. Capacity-building for the preparation of BURs - context

1. Decision 2/CP.17

- a) Adopted the **BUR guidelines** for Parties not included in Annex I to the Convention (objectives and the scope)
- b) Non-Annex I Parties should **submit** their first BUR **by December 2014**

2. Decision 18/CP.18

- a) Recognized the important role of the CGE in facilitating technical support
- b) Extended the term of the CGE for one year
- c) Requested the CGE, when defining its work programme to take into account the needs of non-Annex I Parties

- 3. The **CGE work programme for 2013 and 2014** focused on providing support to non-Annex I Parties to **prepare their first BUR**

I. Capacity-building for the preparation of BURs – training materials

- a) The CGE recognized that the **existing and updated CGE materials for the preparation of national communications did not adequately cover areas** contained in the BUR guidelines

- b) The CGE developed **supplementary training materials** in accordance with the BUR guidelines, addressing three themes:
 - a) **Institutional arrangements** for the preparation of national communications and BURs on a continuous basis;
 - b) **Mitigation actions and their effects**, including associated methodologies and assumptions;
 - c) **Constraints and gaps and related financial, technical and capacity needs**, including a description of the support needed and received and information on the level of support received to enable the preparation and submission of BURs.

- c) These **training materials** are available at: <http://unfccc.int/7915>

I. Capacity-building for the preparation of BURs – training workshops

Latin America and the Caribbean

*Panama City,
Panama*

16 to 18 July 2014

Asia-Pacific and Eastern Europe

Yerevan, Armenia

8 to 10 Sept. 2014

Africa

Bonn, Germany

23 to 25 Feb. 2015

Objectives

- To **enhance capacity** in the use of the BUR Guidelines
- To serve as a **platform to exchange views, lessons learned and experiences** (process and preparation of NCs and BURs)

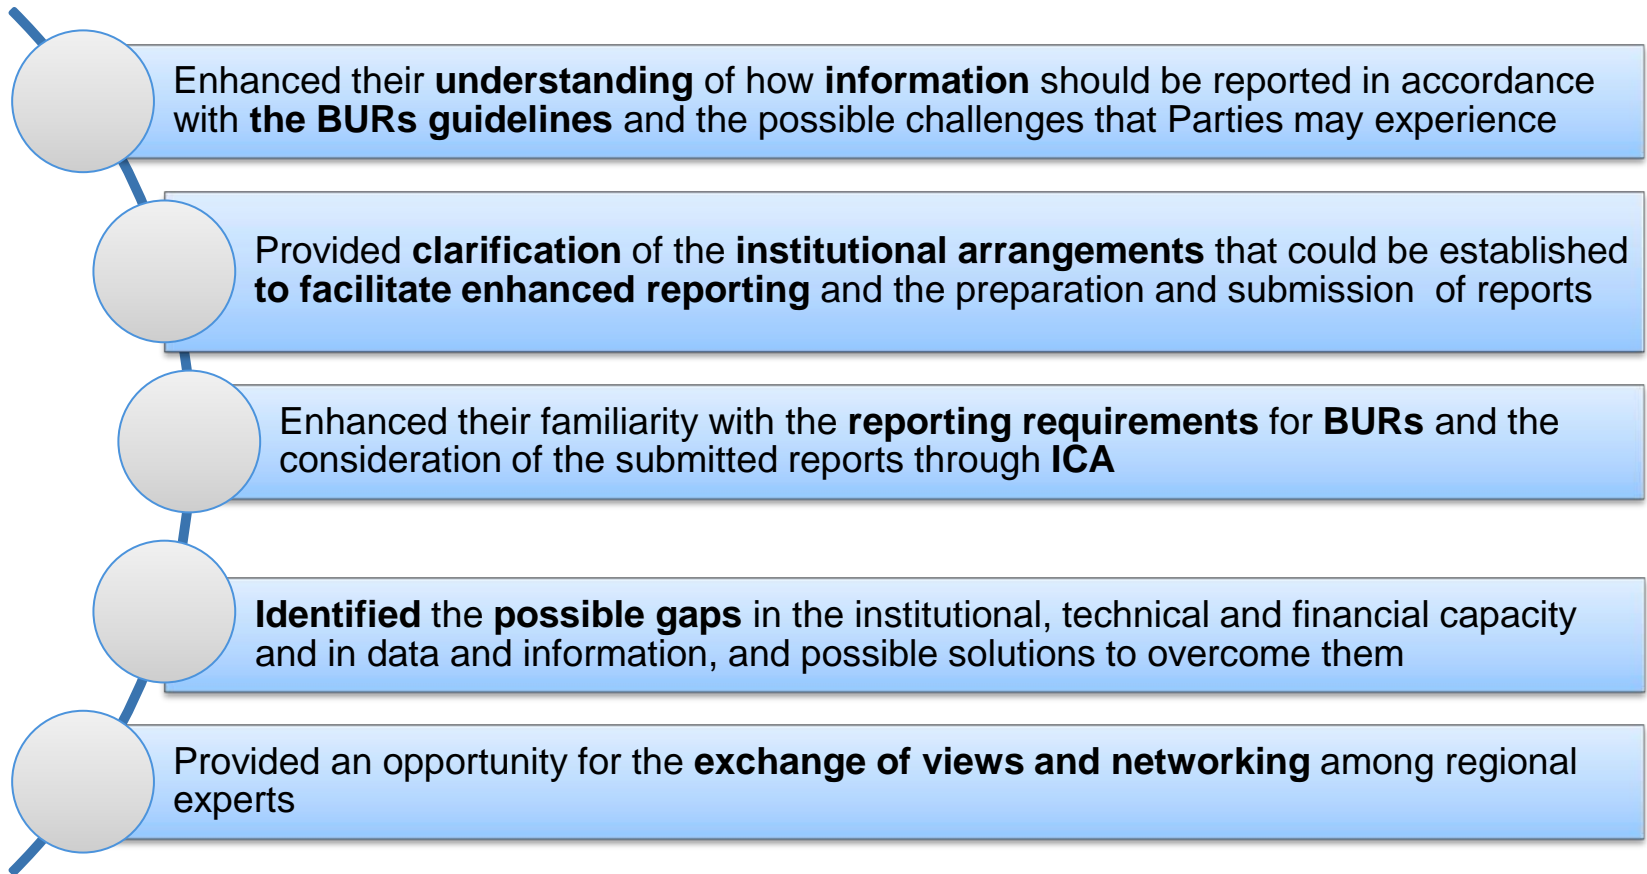

Design and delivery

- The content covered **all the elements** contained in the BURs guidelines
- A **combination** of presentations; mock exercises, and interactive question and answer sessions

I. Capacity-building for the preparation of BURs – training workshops

Feedback received from the participants on some of the benefits of the workshops:

The details of the report are available in document **FCCC/SBI/2014/18**

Thank you for your attention!

Terima kasih atas perhatian
